

Prolia Finder™

Locate treatment sites or pharmacies which can provide Prolia® for your appropriate patients.

In three simple steps, the Prolia Finder™ resource displays local fulfillment options for your patients and your practice.

Step 1

Go to www.ProliaFinder.com

Select a fulfillment pathway for your appropriate patient

Step 2

MEDICAL BENEFIT

- Coverage is under Medical Benefit or Medicare Part B
- Prolia® is purchased and administered by the treatment site

PHARMACY BENEFIT

- Coverage is under Pharmacy Benefit or Medicare Part D
- Pharmacy fills prescription and Prolia® is administered in your office

Step 3

Enter the requested search criteria to view a list of local fulfillment options

Treatment sites or pharmacies interested in providing Prolia® or treating Prolia® patients can easily register online.

- Go to www.ProliaFinder.com and select either **PHARMACY** or **TREATMENT SITE**
- Enter the required information, then scroll down to accept the terms of participation
- Verified sites will appear in the listings within about three business days
